NEW HYBRID VERSION

LL.M. International Business Law

— MAURITIUS —

This programme deals mainly with practical case studies and certain key subjects, with a pluridisciplinary focus. It prepares students and professionals for operations such as large acquisitions or market transactions, cross border mergers, complex financing, restructuring, LBOs, financial engineering, and industrial projects. These are interesting operations, offering difficulties that often lead to innovative solution seeking. It is particularly educational to study them and analyze the legal, financial or accounting issues raised. Contracts, guarantees, financing and international trade litigation, among other basic subjects are approached from different perspectives.

Professionals from all backgrounds
are welcome to apply; this opportunity is not limited to legal practitioners.

Executive level programme
Minimum of undergraduate degree + work experience required

International expertise
Paris-Panthéon-Assas University lecturers and international professionals in English

Hybrid Evening Classes
Designed for busy professionals, our flexible format combines online and in-person learning in the evenings.

MODULES – 10 MANDATORY MODULES –

HEC Accredited – Assas International (Mauritius) Ltd

INTERNATIONAL ARBITRATION
Resolving disputes through international arbitration (commercial, investment), the principles governing arbitration agreements, proceedings and awards. Acquiring knowledge of law and practice of international arbitration.

MERGERS & ACQUISITIONS
The course leads students through an in-depth analysis of the M&A process and the contracts applicable to selling a private company.

STATES & INTERNATIONAL TRADE LAW
The main rules and principles applying to international PPPs: definition, legal and financial structure, categories of contracts, allocation of risks, litigation of state contracts.

INTERNATIONAL FINANCING
In-depth and practical knowledge of the rules implemented in international bank operations.

INTERNATIONAL TAX LAW
Key issues of international tax law: the basics of key international tax concepts including double taxation and its relief, double tax treaties, tax transfer pricing, OECD's initiative to curb base erosion and profit shifting (BEPS), etc.

INTERNATIONAL CONTRACTS
The legal and contractual scope and treatment applicable to international contracts.

ENVIRONMENTAL & SUSTAINABLE DEVELOPMENT LAW
The main set of international, regional and local rules laid down to protect the environment. The need for corporate leverage to finance new projects to protect the environment.

INTERNATIONAL CAPITAL MARKETS
The course covers mainly European legislation and authorities, markets in financial instruments, issuers, markets abuses and money laundering.

COMPETITION LAW
At the end of this course, students should be familiar with the core concepts of competition law (such as relevant markets, hard-core cartels, restriction of competition, dominant position, mergers) as well as all the actors involved in enforcement of competition law.

INTERNATIONAL INTELLECTUAL PROPERTY LAW
This course will focus on the international legal instruments which enables the right balance between the interests of innovators and the wider public interest. The main objective is to give an overview of the major current trends in Intellectual Property Law.

WHY CHOOSE THE LL.M. INTERNATIONAL BUSINESS LAW?

"The LL.M. International Business Law is a programme designed for ambitious professionals ready to master the complexities of today's global legal landscape.
This LL.M. is not just anacademic journey; it is a transformative experience that equips you with the skills to navigate cross-border transactions, tackle intricate regulations, and thrive in theinternational business law arena.
Mauritius provides the perfect backdrop for this training: theisland is not only a dynamic financial hub offering a securebusiness environment, but it is also a bilingual jurisdiction enriched by both the civil and common law traditions.

Delivered entirely in English by distinguished professors and practitioners, the programme offers over 200 hours of intensive course work, both theoretical and practical.
You will engage directly with real-world case studies inmergers and acquisitions, arbitration, taxation, financial engineering, and international contract drafting; ensuring that theory is always anchored in practice.
This LL.M. is designed to sharpen your technical expertise while broadening your global legal perspective, giving youa solid foundation to excel in your professional journey. It will equip you to tackle international legal challenges with confidence and clarity, and to advance your career with decisive purpose and vision."

Professor Samuel Fulli-Lemaire, *LL.M. Dean – Mauritius*

Amaury FORT (EFB Alumni – LL.M.'2023)

"The LL.M. at Panthéon-Assas University offers high-quality courses taught in English by excellent professors. The flexible schedule allowed me to balance classes with exploring Mauritius, while the internship gave me valuable international exposure. The interactive teaching style – with role-plays and negotiation exercises – truly prepares you for a legal career. It's an enriching experience that I highly recommend."

Felix NOACK (LL.M.'2023)

"The LL.M. International Business Law broadened my horizons, improved my confidence in legal English, and gave me a strong foundation in corporate law. I now work for an American law firm in Mauritius and have already benefited from the knowledge gained during the programme. Stepping out of my comfort zone was invaluable, and I highly recommend this experience."

Anjulie SOOBRAMANIEN (LL.M.'2021)

"My time at Paris-Panthéon-Assas University was transformative. The LL.B. gave me exposure to top-tier faculty, and the LL.M. further enriched my academic and professional growth. Despite being the youngest in my class, I was encouraged to dream big and take risks. Today, as a legal associate, I carry the skills and confidence I gained from Assas in every step of my career."
